Print and Mail Services:
We are using a print and mail service called LetterStream to coordinate the physical delivery of the minutes. For 4 copies of the May minutes, the Region spent $48.67 for the print and mail service.

Please note, and this is especially for any large powerpoint attachments, we are limited by this service in the number of pages we can mail. If you have a large powerpoint, please do not attach them as full size slides, but rather print them to PDF 4 or 6 slides to a page. If you need assistance with this, please reach out to us or the Technology Resource Panel. **Please do not include flyers for any events occurring prior to August 1.**

Contact Sheet:
The contact sheet is going around. Please make sure your information is accurate, if it is not, please correct it. If you are a new or acclimating RCM, please provide the requested information. **Please only provide your address if you need a paper version of the minutes.**

Reports:
For all trusted servants who are submitting a report, please make sure your reports are submitted by 5pm **Friday, July 24th, 2026**, so we have enough time to process the minutes. If you are having difficulty submitting your report, please let me know how we can assist.

In Loving Service,

Treasurer Report

The ConventionAs we begin the new fiscal year, the Treasury Team would like to highlight a few important topics.

1. When the region approves a budget, that is the approved amount for any subcommittee to spend. The Treasury Team will not be issuing any checks, either reimbursement or to pay bills, during this fiscal year that will put a budget line over budget.
2. The Treasury Team has spoken with the leadership of the RSO. Moving forward, when the RSO gets an order to be paid from the RSC budget, they will request approval from the Treasury Team. As long there is money in the specific budget line being used to pay for that order, the Treasury Team will authorize them to ship the order. If any order will put a budget line overbudget, the Treasury Team will not authorize the order. If the RSO ships an order that is not authorized by the Treasury Team, the RSO will bear the expense of their fulfilling that order.
3. If any RSC budget line needs to be increased or changed, the way to make that happen is to get approval from the RSC body. The Treasury Team does not have the authority to this without the approval and direction of the RSC body. It is the RSC body's money, and our job is to follow the direction of the RSC. The passed budget is the direction of the RSC until or unless it is altered by the RSC body.

We have sent the Profit and Loss statement for the fiscal year ending May 31, 2026 to the accountant. The unreviewed **net loss** for the year was **$970.08. This means we spent 970.08 more than we took in for the year.**

Here is the financial report as of right now (pending any donations or expenses that have not been submitted yet). The bank balance at the beginning of the day was $31.817.83

There were contributions of $3,971.81from a total of 4 areas today.

Expenses today were $5,045.44

This leaves our current bank balance at $30,744.20. Last RSC, our bank balance was $26,769.89

We have the following reserve and restricted accounts.

Next RSC reserve of $10,000

Prudent Reserve of $11,000.

The GSR Assembly reserve of $1,600

The Florida Service Symposium reserve of $13,600.

Our total reserve and restricted accounts total $36,200

This leaves our available balance at a DEFICIT of $5,455.80

Last month, our available balance was at a DEFICIT of $8,630.11 meaning our prudent reserve was only $2,369.89.

This month our prudent reserve that should be $11,000 is only $5,544.20

We are beginning to rebuild our prudent reserve slowly but are still required to use almost half of it to operate.

As we continue to discuss the budget and reserving for expenses we know are coming, we want to highlight that based on our current guide, last fiscal year we sent $6,702.24 to NAWS. This amount would mean that we would not be using our prudent reserve and would have still had money to send to NAWS.

As we work on the budget for next fiscal year, the Treasury Team will be recommending that we change the way we donate to NAWS so that it becomes a budgeted expense with a set, planned amount for the year. As we have the money after our reserves to forward to NAWS, we will do so based on the budget. We will also be taking a good look at our reserves to ensure we are properly reserving enough money for us to operate. Our recommendation is not to do anything with the reserve for the Service Symposium until we have reviewed the reserve amounts and made our recommendation to the body. By properly reserving for our expenses and budgeting to send money to NAWS, we can ensure our own fiscal health while continuing to follow fund flow and support the work of NAWS.

Finally, we are actively beginning the search for the next Alternate Treasurer who will be elected next July. The Treasury Team is requesting that everybody look in their areas and homegroups for **qualified** people who might be interested. It is important that these candidates have a background or experience in finance. When you identify them, we will be happy to speak with them about the position. This is to ensure that we have **qualified and talented** people as part of our Treasury Team moving forward.

ILS,
Keith and Katye

What are your Subcommittees or Fellowship Development working on?

The Bay Area is currently using an ad-hoc committee to see if creating a Common Welfare Subcommittee is viable or not. We are in the process of researching by working with the Central Texas Area of NA.

What events is your Area hosting in the next 2 months?

WE have our 45 year Anniversary as an area on August 15, 2025. Every month on the 3rd Saturday, we have a 12 Step workshop called "The Steps Made Simple". On August 2nd our PR subcommittee will be hosting a poster drive.

Would your Area like the Region to put on a Workshop or provide support? Please explain.

What are your Subcommittees or Fellowship Development working on?
We have a new nominee for PR. Building on the successful pride event we have a real desire to keep it going, likely a motorcycle gathering in St Augustine. H&I is going fairly well but we did have to cede one meeting to another fellowship because we could not consistently fulfill it. We are looking to do an area Treasury audit this month.

What events is your Area hosting in the next 2 months?
July 25th we will be having a sponsor / sponsee breakfast. Flyer will be attached

Would your Area like the Region to put on a Workshop or provide support? Please explain.
Not at this time. There may be a call mid cycle as we get the more official PR committee up and running.
Comments/Current Issues/Concerns/Questions/Problems
I want to thank Regional PR for being so supportive in helping us to get the PR event off the ground. A desire led to support, led to a training, which led to a successful event. Thank you for your guidance and leadership.

Comments/Current Issues/Concerns/Questions/Problems

We recently just passed a motion to have GSRs and members the ability to hold more than 1 position in subcommittees.

We are currently having issues with older members of the area going to a new meeting and being disruptive with the intent of addressing issues had with the meeting in a way that they deem fit. It is discouraging and upsetting newcomers. The older members were talking about this at area and stating it wasn't a NA meeting with an NA message. After this issue was brought to area, we, as a body, decided to guide this group by having other members go to the meeting and guide them in a more spiritual manner rather than just dissolve the meeting.

Technology Resource Coordinator Report

Thank you for being a part of our recovery. Our team is making slow but steady progress on implementing new ideas and policies to improve our ability to strengthen our bottom line and better carry the message that we do recover.

We are working with the FD team to find and improve our Google Workspace (file management), our website, and the hybrid technology used at various events and FRSC meetings. We humbly ask for your patience, as this is a work in progress.

If anyone would like to help in the pick-up / pack-up of our tech gear for each FRSC meeting we would welcome any and all help.Please contact ITC@naflorida.org or FDleader@naflorida.org

I have spent time looking over our website and have cleaned up some of the links left behind that are no longer needed. As always if anyone has any suggestions to improve our website we would greatly appreciate your input and ideas.

We are working on two (2) new items for our website, one - to list current open positions at the Regional level, two - to list our flyers in a more timely manner. Our upcoming projects that we are looking into is a way for people to open support tickets regarding their corresponding tech issues so we can provide more accountability - "5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined." We are looking into additional WiFi setups that would accommodate the RCM's need for internet access. This will be in the budget forecast that will be sent out to all RMC's.

If at any time anyone in recovery would like to get involved and help our team, please let us know.

Corrections Resource Coordinator Report

The corrections workgroup met on zoom on July 12th at 6:30pm. We had a few new members join the meeting. The workgroup did a workshop at FRCNA where there were 37 members in attendance. We are in the process of getting multiple people cleared to volunteer in the prison. We have started 12 new meetings in the doc. We are in the process of starting 7 more. These 7 meetings will start as a between the walls meeting (virtual) until we have volunteers to start a behind the walls meeting (in person). We rolled out the new shirts for HOPE RISES. So far it's been a success. We are hoping in the next couple of months the work behind the walls (working steps behind the wall) will be starting.
Here is the link https://fdcbees.com/vms to volunteer in the DOC. I can help walk you through the process. We did a presentation at the Heartland area's ASC and H&I subcommittee. Since that presentation we had 3 members going through the process of getting cleared. One has already been cleared and will be joining me at Avon park ci Wednesday the 22nd. July 12th we went to the Big Bend area's ASC to gain support for 3 prisons that want meetings. A member discussed the hurdles they are finding about getting cleared. We are in the process of fixing those issues. If you know anyone who wants to be cleared they need one year clean and have them reach out to me.

RD/AD Report

Florida Region July 2026
The incoming RD/AD team participated in the Service Track at FRCNA with an interactive workshop on Welcoming the Newcomer. The workshop was well attended and the feedback was positive. We look forward to an opportunity to present this workshop at RSC on a later date.
The AD, AD elect, and Treasurer met with the Rosen Centre Housing Coordinator assigned to our account during FRCNA concerning the proposal to direct bill the room nights of elected trusted servants of the region. Our housing coordinator acknowledged this practice to be a simple one on the part of the hotel and we will work out any glitches

that may arise on the part of the hotel.
About 140% of the room block was booked for this RSC causing the link to close early. We were able to book additional rooms that quickly sold out showing a surge of interest in RSC attendance. We suggest not raising the room block at this time however, we will closely monitor bookings as they go. If the trend continues, we will request additional rooms to be added beforehand and in upcoming contracts.
On July 24 -26, 2026, the Southeastern Zonal Forum will be held virtually hosted by the North Carolina Region. The virtual link will be forthcoming. During the SEZF weekend, a Conference Participant meeting will be held on Saturday, July 25th. The SEZF will pause to allow the RDs and ADs to attend. The agenda of the SEZF will be:
Friday 7/24
6pm: New Delegate welcome and orientation

Saturday 7/25
9am-12:30pm: Regional support session & Virtual H&I task team presentation.

12:30 pm - 2pm: Lunch Break

2pm-3:30 PM: CP webinar

4pm - finish: RSS + virtual h&I task team, if necessary.

Sunday 7/26

9am - finish: Zonal business meeting.

Myra and I will be accepting the reins of the Delegate Team as of the end of business today. First, we thank Ramon for his service for the last 5 years. His leadership has been invaluable, and his representation of the Florida Region has been impeccable at the Zonal and World Service levels. Through his guidance, we are prepared to follow the theme of the 2026 - 2029 WSC which is “Going Forward”.
Grateful to serve, Ramon R and Carlos N

RSO Board Report

RSO Report
Florida RSC 07/19/2026

Greetings to the Florida Region from your Regional Service Office and its Board of Directors.
The Board of Directors met on July 11, 2026, virtually.

As of 06/30/26 our balance with the WSO was $6,210.52 plus $6,191.04 for shipping for a total of $12,401.56. We have paid that in full since then. And will have an order leaving the WSO this week to be delivered next week to the office.

In the bank as of 06/30/2026: $54,671.21 The 2 CDs at this time

100084466304 – 4-month CD: $12,676.23 (at 3.25%), maturity date of 9/18/2026
100084466305 - 4-month CD: $12,676.23 (at 3.25%), maturity date of 9/18/2026

Inventory: as of 06/30/2026: $172,782.76 with a retail value of $211,658.67 -This is Lit, only. Remember some of this stock is at the inventory price that had a 17% discount at the end of last year before the prices went up. As a result, our profit margin will decrease in future months.

Accounts receivable, the money we are owed: $28,000.00 all within 30 days payable and are all current currently.

Monthly sales: May: $41,855.82
June: $36,573.23

Year to date: $696,522.21 These numbers need to increase!!!

Let us know when you have events that maybe we can attend if you invite us so we can move more of the special items. This will help your RSO increase sales as well as profit margin. RCMs, Please take back to your areas, that when they come to office to pick up orders that they call first and give the workers a 24 hour notice so they can have your order ready when you get there.

The past few regions I mentioned the Tax-exempt number and the need for records of the dates that the tax-exempt number is being used, who used it, and what it was for, and the amount of the purchase and receipt should be attached. Thank you Keith and Katie as we have received your information. As for the areas under our umbrella should be sent to Ashley at the RSO at the end of each month. I have asked a single point of accountability of who is collecting that data. I would appreciate that information if you have not given it to me or Ashley at the office. Thank you Heartland for your report. The 2 other areas under the Not-for-Profit corporation please get me the information. If there is anyone else on the RSC admin that has used the Tax exempt number please report it with receipts to the treasurer or me. As I said last region our accountant has stated he is insisting on this information in next year's taxes as it is too big of a liability and the risk of being audited without this information. So please let me or Ashley at the office or the RSC treasurer know this information. Please, this is important.

Website: All WSO products are up and can be ordered. Specialty products are still a work in progress. Amber, who we have hired, is currently working on the back end to make the job to integrate with QuickBooks seamless which it is not as of yet. There is a lagging site that Amber and Andy are working on. They will have a better idea of the completion time on those specialty items as soon as it was a bigger project than expected as we have a lot of gifts and specialty items now.

Employee updates: Currently Ashley and Andy are working full-time, 40 hours per week. They are excellent employees and meet all expectations. They did work overtime and were rock stars at FRCNA where they were at the merchandise table the whole convention as well as Wednesday for setup and Sunday for packing up. We could not ask for better staff. Please when you speak to them or go to the office treat them with respect and appreciation for all the hard work they do. They have performed over and above expectations as I said before.

Office updates: Office is running great. We don't think the price increase from NAWS has really stopped customers from ordering. Ashley and Andy make sure when an order is placed it is shipped out no later than 72 business hours after the order is placed. On a sad note I just want to inform the RSC that one of our Board members Vernon from

the Big Bend area had a stroke. She is currently taking a leave of absence from the board as she recuperates from the stroke. If you know her, reach out but I ask all to send prayers. When we spoke she will assess where she is at, between now and November when she will decide if she can return to the board. Again please send prayers.

Treasurer: Tim has been working with Ashley on the books and also with the accountant to get the numbers in order for the fiscal year. This has been a huge task. They also have crunched numbers for FRCNA and with the large expenses we incurred going to FRCNA we were not as successful as last year. After expenses this year at FRCNA we had a loss of $1,136.52. Despite this we really want to thank FRCNA just like last year, me and the whole RSO team love working with you and you have made it an enjoyable weekend, thank you FRCNA Committee.

RSC: We, the Board of Directors, recommended two board members for RSC elect board positions. Thank you for electing them earlier and we now have a full board.

You should have noticed the Florida Region shirts we have been selling this RSC and they will continue to be available through the RSO as well as the RSO Board members and RSO staff have been wearing RSO shirts which are also available and again you can call Ashley at the office or reach out to Tami. RCMs, please make sure your area has the current order forms with the correct prices on it. Once again if you have events that you would like us to attend where we can sell merchandise please reach out to me or Tami or the office and we will be there. This is your Regional Service office, we are asking for your support.

Finally, we welcome you to come and visit our office Monday to Thursday 8:00 AM to 3:00 PM and see the office and some of the specialty items. We are at: 2222 South Combee Rd.

FRC Board Report

FRCNA, Inc. BOD, met live yesterday July 18, 2026, here onsite in Suite 251.

Thank you for electing our recommended members to the BOD this morning. Dan T. from Suncoast was elected as the Recording Secretary. We elected Shawn C. to BOD-elect and Corporate Secretary. We close our books for the fiscal year on July 31st the CFO will present final numbers in her report in September.

FRCNA, Inc wants to thank all members of the Florida Region for their support both before and during this year's convention. A special thanks to those members who came early and stayed late to help us set up and break down! The winner of the service hero banner with 98 service shifts (196 hours) is Sun Coast! Second place went to Bay

Area and third place was Recovery Coast.

The 70s/80s throwback dance was held on Saturday night and was a colossal hit. There was even a pink Care Bear dancing! Yoga had a full schedule including breath and journal practices. The room was always full and well received. The daytime escape adventures were not as big of a hit this year. However, the excitement around the Escape Room experiences was over the top, we already have a wait list for next year's experiences. A big shout out to those Program members, now known as Team Escape who worked tirelessly on creating the event, writing the script and conducting those escape rooms. We are looking to expand the Escape Rooms next year.

We have received enormous positive feedback on the variety of workshop topics including the What is a Pioneer 40+ interactive workshop and main speakers. The FRSC Service Track workshops were well attended and there is interest in repeating this success next year. The TikTok banner was actively used for photos, social media content and the size this year was perfect. Huge thanks to the newcomers from several facilities who showed up and gave back through service. We appreciate the hard work of our new audio recording vendor; they handled recording the workshops and main speakers with professionalism and timely turn around with CDs and flash drives.

Thank you to our Zoom Team for creating an easy links process to join the main speaker meetings in advance and assisting the new ASL Interpreter.

We are seeking logo idea submissions for the Convention logo, the deadline is October 4th. Keep an eye on social media for surveys regarding new ideas for interactive events, merchandise selection, and entertainment.

FRCNA 45 will be held at the Rosen Centre July 1, 2026 - July 4, 2026. Room rates for double occupancy are $152.00 per night plus any applicable taxes. Self-parking is $10/day with in and out access.

Our FRCNA July Special registration cost is $55 for the entire month and ends at midnight on July 31st. To pre-register for the convention and book hotel rooms go to www.frcna.com . Banquet and comedy tickets are also available for purchase.

The first Support Committee meeting for planning FRCNA XLV "No Matter What" is scheduled in person onsite at the Rosen Centre October 4, 2026, from 10am-12pm. If you would like to volunteer for a support committee, go to frcna.com click on the Volunteer tab and/or email info@frcna.com.

Proposal number 2026-01-02
Maker: Treasury Team
Proposal: 2026-2027 Budget Worksheet May 12, 2026 was presented by the Treasurer and is being returned to the body for Discussion at Area level, and a possible vote at September RSC.

Proposal 2026-05-02
Maker: Treasury Team
On page 20 of the July 2025 version of the Guide to Florida Regional Service (GTFRS), update item #4 from:
4. Each member of the Administration Workgroup and Resource Coordinators shall receive a stipend of one day at the prevailing daily IRS Business Rate for travel expenses.

CHANGED TO: Each member of the Administration Workgroup and Resource Coordinators are permitted one room night at the RSC host hotel "direct billed" to the RSC master account along with up to 2 nights of parking at the RSC host hotel. In the event that parking is not able to be direct billed then this will be reimbursed at the special FRSC contracted self-parking rate with the presentation of receipts. The RSC Co-facilitator will be responsible for coordinating the room booking list and provide it to the RD/AD team.

INTENT: to be financially responsible while ensuring that financial resources are not too great of a barrier to serve at this level.

Financial Impact: At current contracted rate that is a total of $173 (149 +12 per night parking). This will be a financial savings/impact/benefit to the Florida RSC of $5,700 (19 trusted servants at $50 savings per region for 6 RSC weekends)

New Business

Proposal Number: 2026-07-01

Maker: Human Resource Panel (HRP)

Proposal : To increase the number of Human Resource Panel (HRP) members from three (3) elected members to five (5) elected members.

Concern: to support the spirit of rotation within the election process and provide more thorough mentorship, training, and succession planning for future trusted servants. The current three-member structure can create challenges when vacancies occur, limiting the panel's ability to maintain continuity, effectively mentor prospective trusted servants, and sustain the election process throughout rotation cycles. Expanding the panel to five members will help ensure continuity of service while fostering leadership development and preserving institutional knowledge.

Intent: To operate more efficiently and utilize the resources, experience, and skill sets available within the Florida Region. The two (2) additional members would participate in HRP meetings virtually through the Zoom platform between Florida Regional Service Committee (FRSC) meetings. These members would also be required to attend at least one (1) FRSC weekend annually via Zoom. Should the need arise for one of these virtual members to attend an FRSC meeting in person to fulfill HRP responsibilities or stand in for an elected member, they would be reimbursed for one (1) hotel room night. This expense would be covered within the existing HRP budget, utilizing the room allocation already budgeted for the elected member being replaced.

Spiritual Impact: This proposal strengthens continuity, mentorship, succession planning, and the spirit of rotation within the Florida Region. It allows the HRP to better fulfill its responsibilities and support the election process in a more effective and sustainable manner.

Financial Impact:
One (1) additional hotel room night, as needed.

Committee meets the 1st Thursday of every month @ 6:30pm

900 E Prima Vista Blvd,PSL

From the World Board Chair:

Dear Conference Participants,

Last week on 26 June, the World Board met virtually. It was the last meeting for our four longest-serving board members, Irene C., Lib E., Paul F., and Tana A., and the first meeting for our four newly elected board members Allyse M., Jade T., Jessica B., and Pam T.

While rotation in service is a foundational principle it is bittersweet to say goodbye to the four board members whose term has ended, and to welcome the four who are now members of the World Board.

This virtual meeting was also our annual general corporate meeting, which means we have officially started the new cycle and affirmed the elections of World Board leadership. The board chair is Jack H., the vice-chair is Yoel G., and Danny G., and Carla W. will serve as either treasurer or secretary.

As we begin this three-year cycle, I want to thank you for all the information you shared with us at the 2026 World Service Conference. The notes we have from our small groups, the written feedback we received, and the many conversations all help us to align our actions with how you want us to fulfill our primary purpose.

At NA World Services there are always more good ideas, projects and needs than our resources allow us to complete. Thank you for your participation in creating and approving the strategic plan as it is the primary resource we consider when deciding how to most effectively use the resources we have. You collectively are our boss. We serve you as you represent the Fellowship. Your input at the WSC, through the strategic plan, at conference participant webinars and though conversations and email all help us align our efforts in accordance with the group conscience of Narcotics Anonymous as a whole. As always, if you have ideas or questions or need to contact us, please email wb@na.org

Our message of recovery that an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live is as relevant to our world now as it has ever been. It is a privilege to serve together and thank you for your service to our Fellowship.

All good wishes,

Jack H

From the NAWS and the World Board:

Hello,

In service to our goal of increasing opportunities for members and those seeking recovery to feel a sense of safety and belonging, we have been discussing ways in which the language we use to refer to people could be more inclusive. The Fellowship has been discussing this topic for several years now and more than three-quarters of respondents to the 2026 CAR Survey said they were willing to explore changes to the wording in NA literature to describe people without making reference to their gender.

We are excited to announce that the proposed revision of IP #1 has been posted at na.org/genderproject. At the World Service Conference this year, conference participants agreed to create a draft version of IP #1 in which members are referred to in gender-neutral terms. As discussed at the WSC, we are not proposing changes to the Steps or Traditions this cycle.

A number of participants at the conference explained that many members weren't completely clear on what this type of inclusive language might look like—the parameters of this stage of these proposed revisions. Some said that they and/or their regions needed to see a draft in order to make an informed decision. The decision by the conference to start with IP #1 was a natural outgrowth of this conversation.

The four suggested wording changes are shown in the table below in bold:

Who is an addict?	"an addict is a man or a woman"	"an addict is **a person**"
What is the Narcotics Anonymous program?	"fellowship or society of men and women"	"fellowship or society of **people**"
What…	"regardless of age, race, sexual identity, creed, religion, or lack of religion"	"regardless of age, race, **gender**, sexual identity, creed, religion, or lack of religion"
Why are we here?	"ahead of our families, our wives, husbands and our children."	"ahead of our **families and loved ones.**"

This draft will be available for review and input by any member of the Fellowship until the end of October. The cover memo attached to the draft explains all this more clearly. Please read and share!

The Fellowship input on IP#1 will help determine what next steps to take with the project. Any final decisions about approval of NA literature will be made by the Fellowship through the 2029 *CAR*.
